

PayForIt is Now Offering Phone Support for Parents.

We are excited to announce that PayForIt.net is now offering phone support to parents! The phone lines are currently available and the 800 number has been added to your district's PayForIt.net page.

Please feel free to provide the following number to all parents in your district if they need to call with PayForIt related questions: [\(800\) 572-6642](tel:8005726642).

This number will also be posted on your district's PayForIt Contact Us page.

The screenshot shows the PayForIt.net website interface. At the top, there are logos for PayForIt.net and PaySchools. Below the logos is a navigation menu with links: HOME, ADD/VIEW STUDENTS, HISTORY, LUNCH, MY ACCOUNT, HELP, HOW DO I..., CÓMO PUEDO..., and LOGOUT. The main content area is titled "Contact Us" and has a sub-tab for "FAQ". A prominent announcement box states: "PayForIt.net is proud to announce phone support for our district and parent communities! Please contact us at 800-572-6642 between the hours of 8:30 a.m. to 7:30 p.m. ET Monday-Friday. Phone support will not be available on Memorial Day (5/30/2016)." Below this, there are several FAQ links: "How can I transfer balances between my students?", "Why is my Auto Replenish not working?", "What does the balance on the account mean?", "How do I update/add a new Credit Card", "How do I change my Default Payment?", and "What is my child's Student ID number?". A note at the bottom of the FAQ section says: "If you have a different question: These articles do not answer my question." The background of the page features a blurred image of a woman smiling while looking at a laptop, with a loaf of bread in the foreground.
