

# Have you gone **CASHLESS** yet!?

Your School District utilizes a POS (point of sale) system in the cafeteria. Instead of purchasing tickets or paying cash, you may have your cash or checks deposited into your child's account! Just like EZ Pass on the Turnpike and Parkway, this will reduce time-consuming cash transactions, and make our lunch lines move much faster!

## Credit Card

You can place money on your child's account from your home computer. There is a convenience fee of \$1.95 for each deposit transaction.

## ACH Electronic Checking

This option allows you to use your checking account to add to your student's balance. There is a flat fee of \$1.95 for each deposit transaction.

## Checks

The cafeteria will accept checks. Your child can bring the check to school and access that money the same day. Make checks payable to the "Freehold Regional Board of Education Cafeteria Account". Please be sure to put your student's name or ID number in the memo section of your check.

## Good old Cash

Of course we will continue to accept cash. Your student can direct us to put the change on his/her account.

## Advantages of Pre-Pay Options

Speeds service for your child and all students

No need to find cash in the morning

No wondering "Where did my change go?"

No more lost lunch money
