What are interactive menus?

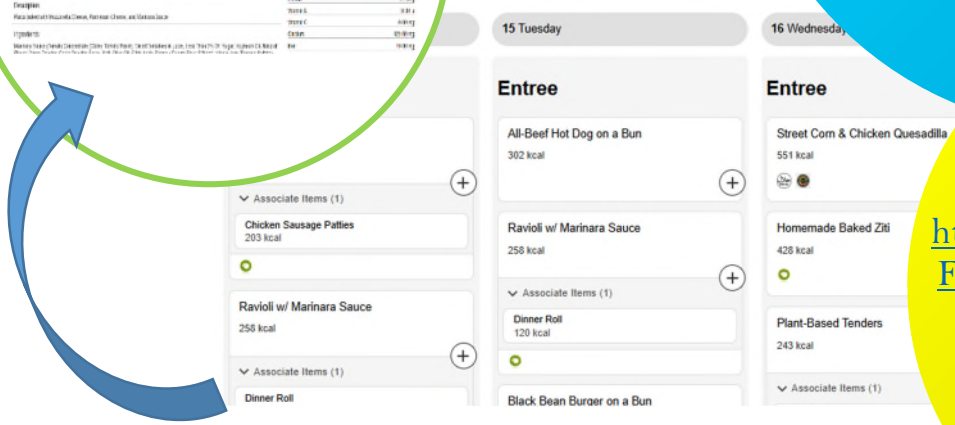

Interactive menus are web-based menus providing quick access to menu choices as well as nutrient information.

- Easy access to nutrition information – click on each item to access or select

Add to total nutrients

- Create an account for personalized access
- Separate allergy-aware menus are available for students with documented allergies

Menus can be reached at https://www.fdmealplanner.com/#Florham%20Park%20PTA. Save a shortcut for speedy access or download the **FD MealPlanner** app.

We look forward to working with you to encourage healthy lifestyles and wholesome dining choices!
