### Important consideration when deciding to participate in Dairy-Safe school lunch offerings:

Pomptonian's staff prepares and cooks a wide variety of meals and does not have separate equipment and space for dairy-safe (DS) meal preparation. To minimize the chance for cross-contamination, the DS items that are available for pre-order, are prepared by trained staff with, as per the manufacturer's label, dairy-safe ingredients.

**Cut at this line and keep the above menu portion for your reference.**

*Please submit lunch forms promptly. Late submissions may not be properly recorded.*
